### Things to Note

- Prices above are estimates, please contact us for a quote for your specific event.
- Our tents can be configured together in a variety of ways. Prices for multiple tents will differ from above.
- All the above rates are based on single day use. Please contact us for multi day rates.
- If using in a public park or space:
  - City by laws require that security be hired if tents are left set up in parks overnight.
  - Tents must be weighted down with barrels of water instead of spikes. Set up must happen within 200 feet of a water supply in order to fill these barrels. Greater distances are possible though extra hose must be purchased.
